WATER KIT ADD-ON PARTS BREAKDOWN

This diagram illustrates the components of the Water Kit Add-on, showing their assembly sequence and relative positions. The parts are numbered 1 through 21. The main unit is shown at the top, with various ports and connectors. The water kit components, including the pump, filter, and tubing, are shown below the main unit. The diagram also shows the installation of the water kit into the main unit's base, with the pump and filter being secured into place. The tubing is shown being connected to the main unit's ports. The diagram is a technical drawing with dashed lines indicating the assembly path and arrows pointing to the specific parts.
